

MUSIC LESSONS

Private Lessons:

Lessons are a separate music program from KCO that are open to any student in Grades K-12. Lessons are designed for students who wish to receive more individualized attention. Students who participate in lessons can also participate in KCO, but are not required.

Lessons Offered: King offers private lessons in Piano, Voice, and Guitar. Depending on the number of students interested, we also offers lessons in *Brass, and *Woodwinds. **If not enough students sign-up to have a lesson, Mr. Mendez will provide names of lesson teachers in the area. Please use the online registration below.

Individual Lessons are 30-minute sessions and individual times are based on a teacher's availability. If your son/daughter has already had a year of group lessons, individual lessons are *highly recommended!*

Please indicate on the registration form your preferred lesson time. We will try our best to accommodate time requests. Time preferences will be given in the order the registrations are received.

Piano, Guitar, Woodwind, Brass and String Lesson Fee: \$50.00 per 30-minute session. Vocal Lesson Fee: \$55 per 30-minute session. Lessons will be billed monthly for the previous month taught.

Missed lesson policy: If a lesson is missed during a month, the lesson will either be made up or it will be reimbursed/carried over to the next month. Lessons are only reimbursed if the teacher misses or if after-school activities are cancelled due to severe weather.

If your son/daughter is playing a sport, please plan ahead for the conflict. Teachers may be willing to stay later the following week to help make-up a missed lesson.

Cancellation Policy: If your son/daughter no longer wishes to continue with lessons, notification to the lesson teacher and to Mr. Mendez needs to be received by email before the beginning of the next month. If a student quits lessons in the middle of a month, the family will not be reimbursed for the remaining lessons in that month.

KING
SCHOOL

Students are expected to rent/buy their own instrument. Rentals are available at Greenwich music and Crescendo Music. Great prices on instruments are also available at Woodwind and Brasswind (wwbw.com). King has a limited amount of instruments for students who cannot rent or buy their own instrument.

LS Students must be picked up directly after their lessons or be enrolled in the LS After School Program.
